

BDIExpress

www.bdiexpress.com

bdiexpress.com just got easier!

BDI's new and improved on-line ordering site is now available for you to search, price, compare, and buy thousands of quality industrial products from BDI.

View Real-Time Inventory

In addition to having the ability to view stock at various BDI locations, you can also check factory - stocked quantities for hundreds of products.

Registering to Buy On-Line is Easy

- Register for an e-Account using a Credit Card
- Register using your existing BDI Account
- Request a New Account!

Once registered, you will receive a user name and password to begin searching and buying the items you need for your operations.
